

# Themed Storytelling Kits

We are pleased to offer a number of valuable resources to help supplement early learning and literacy with children. We have approximately 40 themed storytelling kits that include a combination of books, flannelboard stories, book lists, craft ideas, activity sheets, poems, puppets, CDs and more.

The kit themes listed in this booklet are available for checkout to any patron with a current Portage County Public Library card and are intended for adult use with children. We hope you find these materials useful.

- Kits are checked out for one week.
- We accept and encourage kit reservations in advance.
- The fine for overdue kits is \$1.00 per day.
- If you have questions or would like to reserve a kit, visit the Youth Services Department or call 715-346-1549.
