

Poster Policy

Portage County Public Library

- All material shall be of a cultural or educational nature, pertains to non-profit events, and shall be cleared by the appropriate department head.
- Posters should be no larger than 11" x 14" if possible, although a limited number of larger posters can be accepted.
- Due to limited space, acceptance of a poster does not guarantee it will be displayed, although every effort will be made to find space. Only one poster per event will be accepted in each department.
- A limited number of flyers or brochures will be accepted under the preceding guidelines.
- In the event of questionable material, the Library Director will make the final decision.
- Granting of permission to use display posters in the Library does not constitute an endorsement by the Library Board or staff of the user or his beliefs.
