What is the Teen Library Council?

The Portage County Public Library Teen Library Council (TLC) involves our teen patrons in furthering the mission of the library by seeking their ideas on programs, services and materials. Teens act as ambassadors for the library by sharing information between the library and the community. By attending monthly meetings, the teens are involved in promoting reading, selecting new materials, and planning events while building a supportive teen environment. Teens participate in library and community events to increase library awareness and promote a safe and friendly environment for themselves and other teens in the community.
